Eastern Winter Sport Cluster is all about fun and participation. We want the tamariki to get involved, have a go and have fun while doing it!

Weekly sport will be played at Rāwhiti Domain/ Thomson Park/ Eastern Hub/ Roy Stokes Hall/ Rāwhiti School and Youth Alive Trust Church with the first round commencing by 12.45pm.

Competition Dates:

Competition begins on Friday 23rd May and will conclude 1st August which allows for eight playing weeks.

Term 3: 18th, 25th July, 1st August (Back up 8th August)

Cluster Format:

Each team/school registered to attend the cluster will have a bus allocated to dropping and picking them up from Rāwhiti Domain (except those schools within walking distance). All Schools will be picked up by bus at 12pm Friday to start the first round by 12:45pm. Teams/schools will then depart back to school at 2:15pm. Schools are required to be at their pickup zones 5 minutes prior to departure.

Each team registered needs to be accompanied by a parent/helper/coach that are responsible to take on any umpiring/refereeing, scoring, behaviour management during game time.

On game day an information board will be at the bus drop off/ pick up area where you can ask for any information regarding the draw/ score cards/ additional equipment/ map of ground.

ECSR will be providing most of the gear for the games.

The draw will be listed on the ECSR website each week by Thursday morning.

First Aid:

The Cluster Coordinator will have First Aid supplies on all sport sites but it is still the responsibility of teams to ensure they have sufficient supplies on them. When there is an emergency call 111.

Teacher in Charge of Sport/ Supervision:

Each School will be responsible for their teams playing on the day. The person assigned to the team/sport will make sure all teams are supervised, have arrived/started on time, teams have sufficient helpers and let the Cluster Coordinator know of any issues etc.

In case of emergency, the teacher in charge of team/sport will follow the emergency procedures, acting as the emergency warden for their team/sport and reporting back to the cluster coordinator/their schools. See emergency plan.

Refereeing/Umpiring

Each team is to supply an umpire/referee each week. For netball all umpiring is dual control. All other sports one referee is required per game – this can be a different umpire per half if teams agree beforehand.

Uniform:

Teams should be in a school sports uniform, promoting pride in the school. Bibs will also be available from the information point if clashes in uniform colours occur. Please ensure all have shoes to play in.

Plastic cleats on boots are allowed for Capture the Flag, Football and Touch Rugby.

Shin pads for football are required.

Please encourage children to bring additional warm clothing to the event.

Cancellation:

The Cluster Coordinator is to make a decision regarding cancellation before 11.00am. Schools will be **emailed and text** by 11.15am and the cancellation will also be posted on our website www.easterncommunity.co.nz.

If under extraordinary circumstances such as a sudden unexpected deterioration of weather then cancellation may occur right up to the final moment before buses leave for schools, if this is the case ECSR will contact buses directly. **No school is to take responsibility for the decision not to play. This is very unfair on the opposition team.** Schools will be fined if defaults and withdrawals do not comply with our rules. **Please do not phone the ECSR Cluster coordinators for updates. An email/text update will be sent out (to the sports coordinator as indicated) and the Eastern Community website will also be updated.**

Defaults:

Must be avoided except for **genuine and serious reasons**. When they are unavoidable the Cluster Coordinator must also be informed immediately.

The latest acceptable time to advise of a default is 1pm on the day before play.

\$50.00 fine will occur to the team that defaults within this timeframe.

A \$100.00 fine will occur to teams that are a no show.

Programme:

Participants will be briefed on the specific skills required for a successful shot as well as safe practices for arrow retrieval and movement out on the range. This activity is only for Year 7 & 8 students.

Over the weeks, the archers will progress through the skills and then into some competitive rounds as the skills improve and progress.

Archery will increase self-confidence by being supported by trained instructors.

Disability athletes will be welcome to participate.

INITIAL INTRODUCTION AND PARTICIPANT BRIEFING

Archery can be a very dangerous activity when not conducted properly. Participants need to be made aware of the risks of inappropriate behaviour and failing to listen to instructions. Depending on the group's size you may want to have the group pair off and have the participants shoot in two rounds. No Participant is permitted to cross the shooting line without permission from the instructor!! It is advisable to have seating for participants so that they can sit down when they finish shooting. This will enable the instructor to be able to see what is going on far easier. Participants should be briefed on the specific skills required for a successful shot as well as safe practices for arrow retrieval and movement out on the range.

SAFETY AND INSTRUCTIONS

Due to the potentially dangerous nature of the activity, instructors must be vigilant and group control maintained. It is best to keep the equipment behind the shooting line and have the participants wait a few paces behind the shooting line also. When it is time for the participants to take their turn, they can then step up to the shooting line on the instructors prompting and take their shots at the target.

Postponements:

Will be made by the Cluster Coordinator as set out in the overall winter sport instructions.

They will be postponed when the outdoor sports are postponed.

8. Players who have made it to the opposition's base to collect the ball are in a 'safe zone' and will be safe from taggers until they choose to move out of the zone (with or without the ball).
9. Defending players cannot 'goose guard' the base/safe zone, they must be 2 meters away from the safe zone.
10. Defending players (both teams) cannot 'goose guard' the halfway point, players must be 2 meters away from the halfway line (unless making a move).
